①Staff
A FULL END-TO-END STAFFING SOLUTION

FRONT OFFICE

CANDIDATE & CUSTOMER SOURCING
From resume parsing to candidate search, 1Staff powered by Microsoft Dynamics CRM has the tools needed for your salespeople and recruiters to save time and be more efficient.

MOBILITY
1Staff Front Office can be accessed on any major internet browser or inside Outlook. For those on-the-go, 1Staff can be used on a tablet or phone.

CONFIGURATION
Not only can you rename fields and redesign forms, you can add entirely new fields and related data forms without custom programming.

ADAPTABILITY
By combining the power of 1Staff Staffing Software with Microsoft Dynamics CRM, you get a powerful system to grow with your business and change as fast as your customers change.

BACK OFFICE

FULLY INTEGRATED FINANCIALS
The fully integrated ERP Financial system includes accounts receivable, accounts payable, general ledger, financial reporting and more.

FLEXIBLE TIME & EXPENSE ENTRY OPTIONS
1Staff can process large volumes of transactions quickly and provides total flexibility over pay types by job, multiple units of time, and entry by piece/unit. Employees can also attach receipts.

ADVANCED PAY/BILL SYSTEM
1Staff features built-in payroll for Canada and the United States. You can also utilize other systems such as ADP or Paychex. We'll find the payroll processing option that best suits your business no matter where in the world you're located.

BUSINESS INTELLIGENCE & ANALYTICS
Establish goals and targets then leverage graphs and dashboards to monitor your team's performance. Identify and eliminate bottlenecks in your system by tracking the steps or people that slow down the process.

WHAT OUR CLIENTS HAVE TO SAY ABOUT US.

> "1Staff and Microsoft Dynamics CRM allowed us to combine multiple solutions into a single platform. 1Staff's applicant tracking, compliance and onboarding functionality was deployed to hundreds of users across all of our EmCare divisions. Not only is 1Staff flexible and easy to use, the agile platform has enabled our team to provide business solutions quickly.
