

Simple, Smart & Intuitive  
Helping organizations achieve more with technology

# *Achieve More* with 1Staff Enterprise Staffing Solution

Focusing on complex staffing organizations, Professional Advantage is the largest provider of integrated front to back office staffing solutions powered by Microsoft Dynamics.

# 1Staff Overview

**Staffing Software  
for the Enterprising  
Staffing Agency.**

1Staff is the leading enterprise staffing and recruitment solution designed to fully leverage the Microsoft Dynamics platform. Built to fit the unique needs of the staffing industry, 1Staff Front Office is powered by Dynamics 365, an intelligent CRM and ERP platform used by millions around the world.

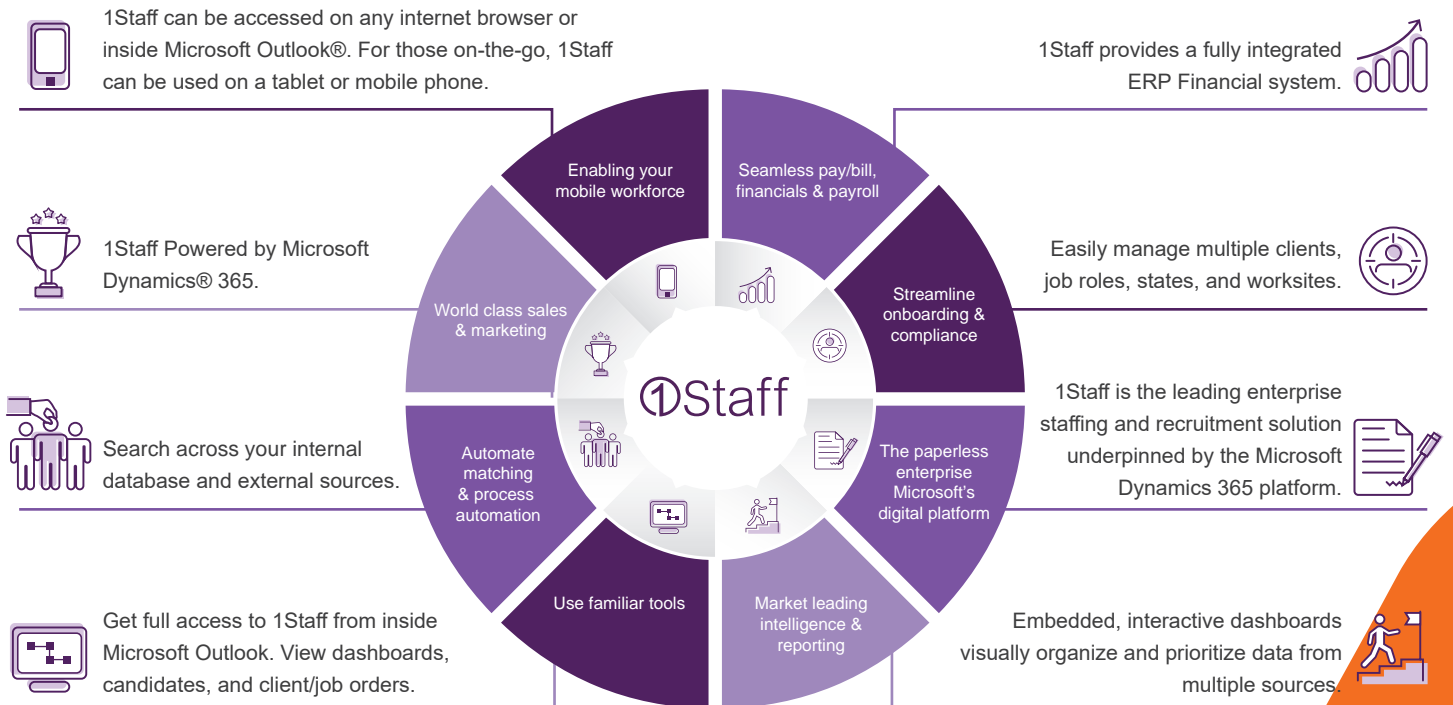

**1Staff Front Office** will help your sales people find and service clients, help your recruiters manage candidates and fill jobs quicker and help your compliance team drive efficiencies and de-risk the onboarding process.

**1Staff Back Office** is built on Microsoft Dynamics GP, a powerful pay/bill and financial (GL/AP) system. 1Staff Back Office will help your workforce capture their time, help finance smooth the pay/bill process and help the executive control and grow the business.

## Helping our customers achieve more with technology

**Your System, Your Way...** You can choose to implement the full suite of functionality, or the Front Office or Back Office independently and integrate them to your existing systems.

# What We Offer

## A full end-to-end staffing solution

Specifically designed for staffing agencies, 1Staff provides a full front to back office staffing solution. We understand there are no two staffing firms that are exactly alike, which is why 1Staff is configurable for your staffing agency's unique needs.

FRONT OFFICE	BACK OFFICE
<b>CANDIDATE &amp; CUSTOMER SOURCING</b> From resume parsing to candidate search, 1Staff powered by Microsoft Dynamics 365 has the tools needed for your salespeople and recruiters to save time and be more efficient.	<b>FULLY INTEGRATED FINANCIALS</b> The fully integrated ERP Financial system includes accounts receivable, accounts payable, general ledger, financial reporting and more.
<b>MOBILITY</b> 1Staff Front Office can be accessed on any major internet browser or inside Outlook. For those on-the-go, 1Staff can be used on a tablet or phone.	<b>FLEXIBLE TIME &amp; EXPENSE ENTRY OPTIONS</b> 1Staff can process large volumes of transactions quickly and provides total flexibility over pay types by job, multiple units of time, and entry by piece/unit. Employees can also attach receipts
<b>CONFIGURATION</b> Not only can you rename fields and redesign forms, you can add entirely new fields and related data forms without custom programming.	<b>ADVANCED PAY/BILL SYSTEM</b> 1Staff features built-in payroll for Canada and the United States. You can also utilize other systems such as ADP or Paychex. We'll find the payroll processing option that best suits your business no matter where in the world you're located.
<b>ADAPTABILITY</b> By combining the power of 1Staff Staffing Software with Microsoft Dynamics 365, you get a powerful system to grow with your business and change as fast as your customers change.	<b>COMPLETE INVOICE FLEXIBILITY</b> Invoice thousands of clients electronically with a push of a button. Ensure even the most demanding requirements are met with client defined week-ending dates, unlimited invoice frequencies and formats as well as flexibility invoice layouts & design.

Our knowledge of the staffing industry helps your business achieve more from your Business Intelligence and Corporate Performance strategy. With 1Staff Analytics, Microsoft Power BI and 1Staff Planning we will integrate your operational and financial planning and analysis perspectives and give you a complete view of performance, now and future, driving your growth and acquisition strategies.

## About Us

Professional Advantage was established in 1989 in Sydney Australia and has grown rapidly over the years across the globe. We currently have 7 offices that range world-wide, and established a North American presence in 1996, including two branches here in the US (Denver & Fargo).

Professional Advantage has been a Microsoft Presidents Club Member and Certified Partner for several years, providing offerings and products in both the Dynamic GP and 365/CRM space. With 6,000 customers globally, the focus has always been helping clients use the technology to make a difference and enable high performing workplaces.
